

I will stand in solidarity with poor farmers around the world by signing Progressio's "Say No to Terminator Technology" seedpacket and sending it to my MP but I want 20 other people to join me.

— Brie O'Keefe, Environment Campaigns Officer, Progressi

Text **promise stopterminator** to 60022
(UK only) or promise at
promise.livesimply.org.uk/stopterminator

This promise closes on 1st November 2008. Thanks!

Remember, if you promote your promise to others, you'll be helping create a community action. Not only are you being the best you can be, you're encouraging others to do the same.

I will stand in solidarity with poor farmers around the world by signing Progressio's "Say No to Terminator Technology" seedpacket and sending it to my MP but I want 20 other people to join me.
